

### VALUE, SATISFACTION & ROI

In March 2014 the Graduate Management Admission Council surveyed nearly 21,000 alumni from 132 business schools around the world and found that 94 percent of MBA graduates highly value their degrees. Job satisfaction among these graduates is at 83 percent, and 79 percent say their expectations for the financial return on investment of their MBA education were met or exceeded.

A&M-Commerce's MBA program is designed to create these results for you. Discover how we can help you obtain new employment or accelerate your current career progression.

### GET STARTED

1. Apply at [applytexas.org](http://applytexas.org)
2. Pay application fee
3. Send official transcripts
4. Send letter of recommendation
5. Send GMAT or GRE scores (unless you have a cumulative undergraduate GPA of 3.0 or higher or a master's degree from a U.S. institution)

College of Business

## Only 5% of the world's business schools are AACSB accredited.

A&M-Commerce is one of them.

With coursework offered on campus and online, students from around the world reap the benefits of the AACSB-accredited Texas A&M University-Commerce Master of Business Administration program. Ranked by U.S. News & World Report and GetEducated.com, the MBA program has high marks for student engagement, admission selectivity and affordability.

Our faculty members are acclaimed industry professionals who are dedicated to your success in core curriculum and concentrations that prepare you for the professional path of your choice. The MBA program challenges you to think critically while collaborating to solve business problems like those you will face in your career.

# The *standard*

## OF EXCELLENCE employers expect

The A&M-Commerce MBA program prepares you for advanced management positions that demand analytic and strategic leadership solutions to an interrelated set of economic, ethical and environmental issues. Our program delivers the proper combination of prestige, academic rigor and convenience at a university with a 125-year reputation of excellence in education.

While all students must complete six hours of electives to receive the MBA, you may complete a total of 12 or more elective hours in one of the following emphasis areas to receive an MBA with a minor:

Accounting

Economics

Finance

Financial Planning

International Business

Management of Technology

Marketing

# Master of Business Administration

## Financial Support

We are fully committed to supporting our students. Financial aid and competitive scholarships are available to assist you on your way to your degree.
